

Aircraft Technician Safety Meeting: PAUSE for Procedures!

At this event you will learn all about PAUSE: Personal Awareness Using Situational Evaluation. It is a tool that was developed to help YOU to Stop or Pause before YOU move forward and take action to accomplish a task. We will also discuss Failure to Follow Procedures, which emphasizes the number 1 national maintenance related error causal/contributing factor in aviation accidents. Don't miss it. Click on the link below and register TODAY.

Directions: This event will be held in the airport main terminal meeting room.
